

ABEN GROUP VIEWING!

Bring the Insurance Professionals to Your Office with ABEN Webcasts for Group Viewing!

Group viewing (with or without CE) is an awesome way to save money, share learnings and get all the credits you need.

We can customize your group viewing package based on your state's offerings and depending on your group size, substantial savings!

Contact your ABEN Network Manager, Sally Smith at sally.smith@aben.tv and she can help you determine what is right for you and your group. www.aben.tv

Advantages to Group Viewing

Group registrations receive a 10 – 40 % discount on tuition based on group size

Eliminates speaker expenses, such as travel, per diem and hotel costs

Eliminates employee lost time and travel costs for outside CE courses

Share and learn with other professionals in your office

Participants can interact with the speaker via email

All viewers will receive Live CE credit

Customized CE programs may also be available depending on your state

GROUP VIEWING TESTIMONY BY SC FIRM. BB&T AGENCY

"Due to our large number of agents needing the 3 hours CE, we decided to do a group viewing. You made it easy! Registration for the whole group and set up was amazingly easy. The cost savings was great. Our staff really enjoyed the ease of just stepping down the hall instead of traveling across town. Thank you for providing this technology!"

Agents & Brokers Education Network

ABEN, your leader in offering professional insurance training with CE using live webcast technology!
