

## IIABSC Agency, Inc.

Get a free no-obligation quote  
for your CYBER NEEDS!

As you may know, South Carolina is the first state to pass a cybersecurity law, and we are excited to offer a new Cybersecurity product from Coalition. The new cyber law goes into effect Jan. 1, 2019 and requires agencies with 10 or more employees to be in full compliance by July 1, 2020 (*View our Cybersecurity webpage for additional information – [iiabsc.com/cybersecurity](http://iiabsc.com/cybersecurity)*).

We are grateful to be able to offer the Big “I” Coalition Program to both IIABSC members and non-members. There are a few items we will need to help us better understand your business and offer a no-obligation quote. Complete the form below, and we can start the process!
