2026 IIABSC PALMETTO PARTNERS PROGRAM

2026 PLEDGE FORMS

BIG (1

INDEPENDENT INSURANCE AGENTS & BROKERS OF SOUTH CAROLINA

WHY WE PARTNER:

"The Palmetto Partners Program has greatly enhanced our Diamond Elite Level sponsorship with IIABSC. We are able to efficiently manage our sponsorship while guaranteeing the best exposure to all of our independent agency partners. The annual savings combined with the exclusive benefits afforded to Palmetto Partners is what really makes this program worthwhile."

George Gore, South Carolina Marketing Representative Johnson & Johnson | DIAMOND ELITE PARTNERS

"National General remains a Diamond Sponsor for the IIABSC because our partnership consistently delivers a strong value. It enhances our visibility with the South Carolina agency force, demonstrates our support for industry-wide issues, and plays a key role in both building new agency relationships and deepening existing ones. Agencies recognize and value carriers who invest in the association and the future of insurance in our state."

Robert Ream & Steven Szabo, Territory Sales Managers
National General, an Allstate company | DIAMOND PARTNERS

"Preferred Specialty is a proud supporter of the IIABSC. I have built my business through the support of Independent Agents so that's why it's so important to me to actively participate in the Palmetto Partners Program. The IIABSC conventions and educational programs give our company great opportunities to network with our agency partners throughout the year."

Robert H. Sanders, Jr. CPCU, ASLI, Founder/President Preferred Specialty, LLC | PLATINUM PARTNERS

"Sponsorship is one small way we can show our support for IIABSC members, and it comes with amazing benefits. It allows us early exhibitor registration for conferences while also lowering our exhibitor costs through complimentary registration for additional team members. Prominent name and logo placement on materials distributed to members and on the website has generated greater visibility and networking opportunities for CRC while highlighting our valued relationship with IIABSC members. Being a Palmetto Partner is an easy and rewarding choice."

Julie R. Wagoner, CISR, CPIW, CIC, DAE, CRIS, Underwriting Senior Team Leader CRC Group Wholesale & Specialty | PLATINUM PARTNERS

"By becoming a Palmetto Partner, we feel that we are truly showing our support to the Association for all they have done for us as a Company. And being a Palmetto Partner has many perks! One perk that is most important to us is knowing that we will be able to secure an exhibit booth at conventions, and it will be in the space that we chose as well as we are able to include additional people to attend due to the savings of being a Palmetto Partner. I would highly recommend considering being a Palmetto Partner and showing your support to our Association that has done so much for all of us!"

Mary Ellen Lackey, Territory Manager—South Carolina Southern Trust & Arbour Specialty | GOLD PARTNERS

ABOUT THE PROGRAM:

Our Palmetto Partners Program is comprised of an elite group who support the independent agency system and our association at the highest levels. Our Partners are committed to the mission to help independent agencies grow, innovate and thrive, and we are committed to offering our Partners the most value possible in return. Participation guarantees your company high-profile, yearlong exposure with six levels of participation to fit your marketing goals and budget.

MORE ABOUT US:

As the premier association for independent agents, IIABSC is one of the most powerful voices for independent agents. We support and advocate for independent agents, enhancing their influence statewide by promoting key legislation, providing resources for industry knowledge, training and education, business and technology solutions, professional networking and market resources. IIABSC is proud to host some of the largest and most exciting insurance events and conferences within our state.

We continue to see growth in agency memberships, expand our footprint and strengthen relationships with key industry leaders— and our partners are a key part of that success! Contributions received from our Partners directly support and enhance the quality of our events and ensure affordable access to agents. In return, IIABSC Palmetto Partners receive year-round recognition and increased brand awareness and visibility of your company to our agency members.

Partners receive exclusive access to IIABSC agency member listings & contact information in excel format, priority access to IIABSC events, early reservation of exhibit space, sponsorships and so much more. Priority is given in order by level, starting at the very top with our Diamond Elite Partners all the way down. The value provided from the exclusive benefits, recognition, and priority access far exceeds the actual cost of partnership.
